2021 Annual New Code Update

Update to [Web Announcement 2366](#): The 2021 annual codes have been added to the Medicaid Management Information System (MMIS). The corresponding rates will be updated at a later date. For dates of service on or after January 1, 2021, when applicable, please use the appropriate new 2021 Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS) and American Dental Association (ADA) codes.

Effective with claims submitted on or after January 1, 2021, claims with 2021 codes will suspend with error code 853 (HCPCS - Annual Update - Suspend Claims) until the corresponding rates are updated in MMIS.

Additional web announcements will be posted when the rates for the 2021 codes have been updated in MMIS, and when the suspended claims will be released for adjudication.
